

**BRINGING TOGETHER
HEALTHCARE PROFESSIONALS
TO FURTHER GOD'S KINGDOM**

We exist to glorify God by placing healthcare professionals and assisting them in finding God's will for their careers. Our goal is to place healthcare professionals in an environment that will encourage ministry and also be pleasing to God.

We make connections across the U.S. for physicians, dentists, other providers and practices. We have an established network consisting of hundreds of opportunities in various specialties.

You will benefit from our experience and guidance. Every placement carries its own set of challenges. We want to get to know you on a personal basis to help find the perfect fit for you and your practice.

**NURSE PRACTITIONER OPPORTUNITIES
NOVEMBER 2018**

California - 238096

Independent, family practice located in coastal Southern California searching for a Nurse Practitioner. The physician strongly believes in offering a faith-based practice. He has found that many physical ailments are associated with spiritual issues and believes in addressing the root of the issues. Being in private practice, he loves having the freedom and the many opportunities to introduce people to Jesus Christ.

California - 316469

An independent, single specialty, outpatient only pediatric practice is seeking to add a Nurse Practitioner. The staff currently consists of one pediatrician. This would be a part-time position with a goal of expanding to full-time. Candidate needs to be open to integrative medicine. Working knowledge of Spanish would be helpful. This practice is a God centered, pro-life pediatric practice. They seek to glorify Jesus in all that they do. They see their position as an opportunity to share God's love and healing through their profession.

Indiana - 220940

Independent Christian practice in northwestern Indiana seeking a Family Nurse Practitioner. Supportive of short-term missions. As they journey with their patients they will utilize their gifts and talents from God to help heal the body, mind and spirit. They will strive to provide wellness to their community and also restore health to the nations. They are a Christian family practice and integration of their faith into their practice of medicine is encouraged.

Michigan - 317936

This Urgent Care Center is located in the inner city serving the uninsured and underinsured. Outpatient only opportunity. Candidate must be able to manage chronic illnesses and diseases and have a heart for inner city ministry and provide compassionate, loving care. After the clinic was opened, they began a Bible study that grew into a church. Today, the church meets on a weekly basis at the clinic. This would be a part-time position. They also have a clothing and food pantry and on every Wednesday, the church serves a hot meal at the clinic.

Mississippi - 120296

An independent, pediatric practice is seeking a Nurse Practitioner. Their vision is to see the physical, emotional, and intellectual health maximized in their team, patients and community. Their mission is: Work willingly at whatever you do, as though you were working for the Lord rather than for people. Col. 3:23.

Nevada - 316386

An independent, outpatient only practice is seeking a Nurse Practitioner. The current staff consists of 3 physicians and 1 midlevel provider. As Christian physicians, all tests, medication and education are founded on a classical, Christian humanist philosophy.

New York - 285140

A very busy, 18 + year old ENT practice is seeking a Nurse Practitioner. Currently there is one physician in practice. No call schedule unless doctor is on vacation. Competitive salary and benefits. Praying with patients is encouraged. The day is begun with group prayer for patients, staff and practice.

New York - 260608

Independent, outpatient only practice seeking a Nurse Practitioner. Practice is a ministry located in one of the poorest neighborhoods in the city. "Providing Comprehensive Primary Care Services in the Spirit of the Ministry of Jesus Christ."

North Carolina - 311800

Independent, pediatric practice seeking a Nurse Practitioner. Pediatric experience preferred. Provider must be able to provide patient centered compassionate care. They see patients from newborn to age 18. Provider would be required to perform well and sick care to patients as well as ADHD, health weight management, etc., in a general pediatric setting. They are seeking a team player who wants to integrate into the practice. They lead by example by treating others with compassion in all circumstances as Jesus did. They pray for patients and with them if asked to do so.

North Carolina - 237858 - Lexington

An independent, single specialty group just south of Winston-Salem is seeking a Nurse Practitioner. Practice consists of 2 family physicians and 3 physician assistants. Outpatient only medicine with a call schedule of 1 in 3 for weekdays and weekends (while frequent, volume is not heavy). Providers average 20 patients per day. Although they are not an explicitly Christian practice, all providers are a part of a faith community and welcome the incorporation of spirituality into medical care. They pray with and for patients, they have Christian radio station playing in the office, and have held devotions and prayer meetings in the past during non-clinical hours.

North Carolina – 248714 – Elkin
An outpatient only, pain management practice is looking to add a Nurse Practitioner. This well-established practice currently staffs 2 physicians, 2 mid-level providers and one addition counselor. This is an independent group which provides medical care to a hospital owned outpatient department. No pain management experience needed. They are willing to train. This is a Christian faith-based practice. They encourage participation in church and pray with patients as the Lord leads. The practice is a ministry to Appalachia. Practice is a comprehensive pain management practice that attends to mind, body and spirit. This is a rural underserved area. They are the largest referral resource for a 40-mile radius.

Pennsylvania – 190754
A faith based primary health care clinic in Philadelphia, seeks a certified Nurse Practitioner to provide Christ-centered primary care to the predominantly Latino North Philadelphia community. Spanish functionality (or willingness to learn) is required. Providers have received loan repayment via National Health Service Corps, the Pennsylvania Loan Repayment Program, or Project MedSend. Goal is to minister to the most needy areas of the underserved Latino community of North Philadelphia as Christ did, bringing the Gospel to the people. As health care professionals, we strive to provide excellent wholistic health care to the body, mind, and spirit.

Virginia – 317932
An evangelical, life-affirming ministry seeking a Clinic Manager to provide supervision of medical services, in addition to training and day-to-day management of staff and volunteer medical personnel. The Clinic Manager is responsible for coordinating workflow of medical services (pregnancy testing, limited obstetrical ultrasound, medical education), ensuring that all care is provided in accordance with professional standards, the Medical Director's standing orders, and the Center's ministry values. Training in sonography available for applicants without prior ultrasound experience. This ministry exists to promote life through Christ to individuals vulnerable to abortion. Their vision is that every person in their community would choose life for their unborn child, spiritual life through a relationship with Jesus Christ, and the abundant life that comes through walking in obedience to Him.

Washington – 308422 – Seattle
An independent, new start-up, outpatient only, women's health facility is seeking to add a Nurse Practitioner. The right candidate must do physical exams including pelvic exams; limited OB ultrasound (can be trained). A sense of calling and passion to serve both uninsured women, women with STI issues and women with unexpected pregnancies. There is no call. Their mission is to provide compassionate, evidence-based, reproductive healthcare and related, educational and consultative services in a respectful environment to all women, regardless of their beliefs or ability to pay, based on the Christian understanding that all people have inherent dignity and worth.
