Responsibilities

Establish and maintain positive and effective working relationships with patients, family members, and personal representatives, and with Foundation employees, personnel or medical staffs of Foundation's affiliated entities, and outside referring advanced practitioners and agencies

Qualifications

- Must have a Family Psychiatric Advanced Practice Nurse license - APRN
- Hold a current and unrestricted license or certification, as applicable, in the Advanced Practitioner's field of practice in the state(s) in which Advanced Practitioner provides services; both IL & IA
- Eligible to work in the United States
- Ability to work as a team member
- Excellent communication (written and verbal), analytical, and problem-solving skills
- Hold current and unrestricted state and federal authority to prescribe and administer medications as necessary or appropriate to the Advanced Practitioner's field of practice
- Be eligible to provide medical services covered under Titles XVIII and XIX of the Social Security Act
- Be eligible for coverage under professional liability insurance or self-insurance programs maintained by Foundation pursuant to such standards as are applicable to advanced practitioner employees of Foundation
