

# **Marshalltown Hospitalists - Nurse Practitioner**

## UnityPoint Clinic is seeking a Nurse Practitioner to join their Marshalltown Hospitalist Team!

### Overview

Come join an outstanding, team-driven group of physicians and nurse practitioners providing care for our patients in Marshalltown. This role will round independently on patients and provide consult services as appropriate. Shifts are in-house and physician support is always available.

#### Opportunity Includes:

8 hour shifts Monday-Friday

- No night coverage by nurse practitioners
- Full-time, part-time, and weekend package options available

Background in critical care nursing is recommended.
