Neysa Klepfer is a homemaker who enjoys reading. She raised her three daughters in Cedar Falls and now has 12 grandchildren and 20 great grandchildren who live all across the country.

There is a registered nurse and nurse practitioner in her family, and she was motivated to establish this scholarship because of them. Watching how hard they worked made it clear that giving some financial assistance was going to be her goal. Wanting to acknowledge those whose career choice is one of service to others, she established a scholarship at Allen College. Neysa hopes this scholarship will help students to have less debt and less stress so they can focus on their studies.
