ESSENTIAL FUNCTIONS

Medical Laboratory Science (MLS)
Allen College – UnityPoint Health

In compliance with the American with Disability Act, Allen College does not discriminate on the basis of disability in the administration of its educational policies, admission policies, student aid and other college administered programs nor in the employment of its faculty and staff. The skills listed below are essential requirements for this program. Students in the program and those who complete the program will be expected to demonstrate the ability to satisfy these criteria with or without the help of compensatory techniques, assistive devices or other reasonable accommodations. We invite any potential student to meet with the Dean of Academic Affairs or Admissions Officer to discuss any potential issues associated with meeting these requirements.

Allen College is inclusive and supports students with a wide range of abilities. An inquiry regarding an ability or accommodation is confidential and should be addressed to Dr. Nancy Kramer in the Academic Affairs Office, Nancy.Kramer@AllenCollege.edu, or by phone at (319) 226-2040. Dr. Kramer is not part of the selection process and any information provided to his office would remain confidential and entirely apart from the admissions consideration.

I have read the above Core Performance Standards for Admission and Progression and hereby represent that I can effectively and safely perform the competencies listed.
