

ALLEN COLLEGE RESOURCES

Please use the following instructions to access academic resources provided by Allen College:

NetTutor

- Step 1: Log into Blackboard Learn and navigate to your course, or use this [link](#).
- Step 2: Open the Tutoring folder in your course.
- Step 3: Click on the NetTutor Online Tutoring link within the folder.
- Step 4: Choose the subject area for which you would like tutoring.
- Step 5: Choose the mode of tutoring that you desire: Drop off a Question, Meet with a Live Tutor, or Drop off a Paper.

TurnItIn

Student drop boxes for TurnItIn can be found in the Student Success course in your Blackboard account.

- The drop boxes in the Student Success course are for your use as you work through the early drafts of your paper. Follow your instructor's directions for the submission of your final draft.
- TurnItIn is a tool to help you detect plagiarism in your written work; it is not a definitive indicator of originality or plagiarism.
- When reviewing your similarity report, regardless of the similarity index obtained, be sure that you review all of the matches identified by TurnItIn to assess whether or not you have paraphrased adequately and cited appropriately for each match.
- Due to the way that TurnItIn is set up, if you resubmit a paper after making alterations, you may have to wait up to 24 hours to receive the similarity report. Please plan accordingly.

StudentLingo

The first time you use StudentLingo you will need to register by providing your first and last name and your allencollege.edu email. Create a password that is at least six characters in length and click Register. On the next page, select the workshop you would like to watch.

Grammarly

To utilize Grammarly, use this link to access the join page: [Grammarly | Grammar Checker for Educational Institutions | Sign up](#). Using your @allencollege.edu email will give you access to Grammarly free of charge. You will receive an email containing a link that you will use to activate your account.

Contact Shanna.Pikora@allencollege.edu or (319) 226-2007 with questions.
