

**Awesome You.
Awesome NIT.
The Right Fit.**

Our amazing Outpatient clinic in Elkader, IA is looking for part time COTA or OT!

Looking for a change in a dynamic work environment? Then NIT is for you! See below to find out more. We also have PRN opportunities.

New Graduate Mentorship Program. Providing a powerful segue from your academic life to your new career by pairing all new grads with a personal peer-mentor for a year-long structured support program.

Therapist-First Philosophy
Ensuring clinicians have the training, tools, and skills they need so they can provide outstanding care to their patients.

Continuing Education & Advanced Training
Providing in-house/hands-on training programs, 24/7 ACP University (with 1000s of CEU programs) and advanced certification opportunities at the NIT Training Center.

Realistic Expectations
Setting modest productivity targets of 80% versus the unreasonable 90% mandates found throughout the industry.
