

Hello,

My name is Kelsey, I am looking for an overnight sitter for my 13 year old son with disabilities. I return to work around September 13th, and that is when I would need someone to start.

He is a very sweet boy, sleeps well throughout the night. I do need someone who is comfortable administering his AM medications and getting him ready for school. He is scheduled to have surgery soon that will make him non-weight bearing, so I will need someone who can help him into a wheelchair. I will transport him to school when I get home from work following his procedure. He may return to riding the bus once he is able to bare weight, which usually comes around 6:30 AM.

DAYS NEEDED: Sunday, Monday, Tuesday, Wednesday, and Thursday nights

START TIME: 10:15 PM

END TIME : 7:15 AM

my hours are fairly consistent at this time but are subject to change week to week.

Pay rate can be discussed privately.

Please contact me with any questions.
