

Hiring In-Home Nanny

We have twin 4-month old girls who have some health concerns (currently needing oxygen 24/7). Looking for someone to care for them from 7:15 a.m. to 4:15 p.m. Monday through Friday at our home in Cedar Falls. Days can be divided up among multiple qualified individuals (e.g one person works M-W and the other works Th-F). We work in public schools so our schedules include the regular break times (Labor Day, Thanksgiving break, Christmas break, Spring Break, etc.). These young ladies were born at 23 weeks gestation and have spent a majority of their lives in the hospital. We are looking for someone to care for them in our home as they continue to grow and develop.
