

Avera Opportunities

Hiring Medical Laboratory Scientists at Avera McKennan Hospital in Sioux Falls, SD!!!!

Join one of the top labs in the nation!

You may be eligible for a **\$10,000-\$15,000 Sign-on Bonus** with a 2-3 year commitment!

Please complete an on-line application at www.Averajobs.org

- **Windows** surround the entire laboratory! We offer a fully automated core, and microbiology lab, first UNOS accredited HLA laboratory in South Dakota, currently the longest accredited CAP/ISO 15189 laboratory in the country, and highlighted in the Medical Laboratory Observer Magazine as Laboratory of the Year in 2010.
- **We also offer professional growth opportunities** within the lab such as: Lab Leadership Apprenticeship program, and being a Key Operator overseeing laboratory instruments. You can also train in specialized departments: Blood Banking, Microbiology, Flow Cytometry, Molecular, Specials Chemistry, and Cell Therapy.

Visit our new mobile friendly site to apply! www.averajobs.org
