

Hello,

If you have any recent MLT grads in need of a job we have two full-time day shift positions at our Mercy One Clinic in Clive. Here is the link: <https://careers-commonspirit.icims.com/jobs/170246/medical-lab-technician--west-clinic/job>

It's a great place to learn and grow. The staff is friendly and there are lots of young CMAs and receptionists.
