

Job Posting: OT for Albuquerque, New Mexico - We will mentor new employees. Great learning experience for new grads or experienced therapists!

Seeking Occupational Therapist (OT) for our 67-bed inpatient acute rehab hospital. We provide a higher level of comprehensive rehabilitation services with the most innovative equipment and the latest technology with an experienced staff to mentor a new grad. We are accredited by The Joint Commission.

In addition to caring for general rehabilitation diagnoses such as orthopedic, amputation, pulmonary rehab, brain injury, multi-trauma, neurological disorders, cardiac rehab, dysphagia, rheumatoid disorders, myopathy, and industrial rehab, we offer a specialized inpatient program for stroke.

All patients admitted are required to meet 3 hours of therapy 5 days/week, or in special circumstances 15 hours 7 days/week with documentation verifying a 7-day plan. This is a regulatory requirement, and productivity expectation is based on this.

Our focus is to train clinicians in order to have good outcomes and to be able to provide excellent care to our patients. We provide continuing education opportunities to all clinicians.

As part of our hospital team, you will experience a therapy-focused environment which includes:

1. Cutting edge rehabilitation technology including robotics, biofeedback and functional electric stimulation systems
2. Spacious and functional work areas designed for patients and clinicians
3. Strong leadership and training through mentorships, promotional opportunities, and continuing education
4. The most comprehensive and extensive patient education tools in the industry
5. Use of evidence and outcomes to continually assess and improve our programs

In addition:

- Starting salary is competitive and based on experience.
- Relocation assistance.
- Student Loan Repay program.
- CEU reimbursement of up to \$2500 per year after 6 months of employment.
- Therapy Career Ladder opportunities.
- Excellent benefits start the first day of work.
