

Position: Occupational Therapist

Clinton, IA

Comprehensive Rehab is not only specializing in treatment methods for children, but also provides a full spectrum of treatment options for all ages and diagnosis. Our staff is dedicated to improving the lives of our patients by assisting them in reaching their highest level of functional ability. We are committed to our patients' progress and success.

A very busy outpatient clinic is currently hiring a full time Occupational Therapist. Come be a part of a team of PT, OT, and SLP's that believe in working together for the improvement of each patient's life. We have an extremely competitive compensation package with benefits and we are hiring an OT with emphasis in sensory certification.

Essential Duties and Responsibilities:

- Evaluates and treats occupational patients under physician's orders.
- Understands and complies with universal precautions, safety and risk policies and procedures.
- Prepares necessary documentation including evaluations, progress notes, discharge notes and logs in timely manner according to regulations.
- Consults with other members of rehabilitation team to select treatment programs consistent with needs and capabilities of individual and to coordinate comprehensive services delivery.
- Assists with orientation of new staff, volunteers and students.
- Maintains positive relationships with health care team, patients and family.

What we have to offer in addition to your compensation package:

Team atmosphere with collaboration between all three disciplines.

Continuing education reimbursement.

Licensure Reimbursement

Flexible schedules.

Onsite patient accounts department.

Staff appreciation and celebrations.

A variety of diagnosis and patients of all ages.

Please check out our website for more information about what [Comprehensive Rehab](#) has to offer our patients and staff.
