

Want to hang out with a pretty cool lady AND get paid??

I'm seeking a caregiver every other weekend to help me in my home. I'm a recently retired Speech-Language Pathologist in Cedar Falls who has A LOT of living yet to do, but I need your help! Approximately 3 hrs. on Saturday & Sunday mornings starting around 9:30 or 10AM and another 1 ½ hrs. on Sat. & Sun. evening. I'm needing assistance with some leg exercises, dressing, catheter care, and transferring in and out of my chair. Training provided. \$17.00 per hour. It's a great part-time position that won't interfere with your busy school life. Take a chance and give me a call/text for more information!
