

**BRINGING TOGETHER
HEALTHCARE PROFESSIONALS
TO FURTHER GOD'S KINGDOM**

We exist to glorify God by placing healthcare professionals and assisting them in finding God's will for their careers. Our goal is to place healthcare professionals in an environment that will encourage ministry and also be pleasing to God.

We make connections across the U.S. for physicians, dentists, other providers and practices. We have an established network consisting of hundreds of opportunities in various specialties.

You will benefit from our experience and guidance. Every placement carries its own set of challenges. We want to get to know you on a personal basis to help find the perfect fit for you and your practice.

**NURSE PRACTITIONER OPPORTUNITIES
DECEMBER 2022**

Colorado – 318481

An independent pediatric practice seeking to add a Nurse Practitioner. The staff consists of one Pediatrician and one Med/Peds Physician. Practice has been based on developing a one on one relationship between physician and patient/family and is therefore seen by the same provider for sick and well checks.

Colorado – 117762

Independent, outpatient only practice is seeking an advanced practitioner. Their goal remains to offer excellent, personalized medical care to families – from infants to seniors. They offer spiritual care to patients at important times of decision and treatment. Only after patient consent, they offer prayer by providers and maintain a prayer board with first name and initial of last name for staff prayer participation.

Connecticut – 336264

Excellent opportunity for a Nurse Practitioner to join a faith-based outpatient practice. Must be skilled in the full scope of Family Medicine and Minor Procedures. No OB. Being accountable to God, they will practice with excellence, keeping their skills and knowledge up to date in order to provide the best possible medical care.

Georgia – 308004

A FQHC, faith-based clinic is seeking a Nurse Practitioner for their Medical Director position. This is a rapidly growing clinic located in a beautiful medical district of the downtown area. They are looking for an excellent candidate who is ready to help provide affordable, quality primary health care, under the organization's faithful mission to their partners.

Illinois – 107470

Join a growing team of providers as they seek to develop a robust Orthopedic team. APPs are responsible for providing medical care as delegated by the physicians. Responsibilities will include running independent clinics, assisting a physician in both office and hospital setting.

Illinois – 131918

Wonderful opportunity to join faith-based FQHC with 3 clinics that serve as a one-stop shop access to the best medical, dental and behavioral health services in the area. Mission is to provide excellent healthcare to community that communicates in word and deed the love and Gospel of Jesus Christ.

Indiana - 284399

Independent practice of CMDA member seeking advanced practitioner. Outpatient only opportunity where provider will average treating 12 plus patients per day. Philosophy: Provide the highest quality care, understanding and respecting the unique needs of each individual patient.

Maryland - 247402

Join general surgery practice doing bread and butter general surgery. Currently two general surgeons in this practice. The 220-bed hospital is relatively new. Modern operating rooms with da Vinci Xi robot and is a Level III Trauma Center. Both surgeons are committed Christians and seeking a candidate of like mind. They frequently pray with and for patients, especially before surgery. They believe the Lord Jesus has called them to provide Christ centered general surgical care to His people there and in the community at large.

**NURSE PRACTITIONER OPPORTUNITIES
DECEMBER 2022**

Michigan – 243473

Seeking an Advanced Practitioner to work at a FQHC Clinic. Candidate must have the ability to function effectively as part of a professional team delivering healthcare in a community setting and have demonstrated abilities for working in a multi-cultural setting. The successful candidate will possess either a Nurse Practitioner or Physician Assistant License. Prior experience in an ambulatory care setting is desirable. This is a faith based charitable non-profit Community Health Center serving the people of the metro area. As a Federally Qualified Health Center offering integrated medical, dental, behavioral health care to everyone, regardless of their ability to pay.

New York – 258633

Well-established, independent, outpatient only group is seeking an experienced Advanced Practitioner. Become part of a team who values quality of life, both personally and professionally. Established in 1999, they are an independent, thriving family practice committed to excellence in health care encompassing the whole person and the whole family. Offering the following: 4 day work week, averaging 3 patients an hour, established practice and patient base. They are committed to following Christ as Lord, with medicine as an opportunity to serve the world and bring glory to Christ.

North Carolina – 310387

An independent, outpatient pediatric practice is seeking an advanced practitioner who has pediatric experience. The goal is to continue to grow a mission focused practice where each of the providers has an opportunity to serve at a mission hospital routinely (multiple months every couple years).

North Carolina – 336808

A Direct Primary Care practice seeking an experienced Advanced Practitioner. Would begin as a part-time position, but if practitioner desires, could grow to full-time once panel is full. Currently one internal medicine physician. This is a Christian practice and care is delivered in accord with Catholic healthcare ethics.

North Carolina – 337974

Located in the beautiful Blue Ridge Mountains, a faith-based outpatient only practice is seeking a Nurse Practitioner. They practice holistic medicine while providing the best possible medical care. They are a group of Christian medical professionals who live out their faith on a daily basis. They model the love of Christ in the way they care for their patients, staff and one another.

North Carolina – 196333

An outpatient only, pain management practice is looking to add a Nurse Practitioner or Physician Assistant. This well-established practice currently staffs 2 physicians, 2 advanced practitioners and one addiction counselor. This is an independent private owned practice. No pain management experience needed. They are willing to train. This is a Christian faith-based practice. They encourage participation in church and pray with patients as the Lord leads. The practice is a ministry to Appalachia. Practice is a comprehensive pain management practice that attends to mind, body and spirit. This is a rural underserved area. They are the largest referral resource for a 40-mile radius.

NURSE PRACTITIONER OPPORTUNITIES DECEMBER 2022

Ohio – 216131

An independent, well-established, inpatient/outpatient OB/GYN group is seeking an advanced practitioner. They view their practice as a ministry. They feel they deliver quality medical care and incorporate their faith into their practice.

Oregon – 284362

Opportunity for Advanced Practitioner to join an Internal Medicine Physician. Older population, no pediatrics. All outpatient. Practice is located in a vacation paradise. The outdoors are incredible in this area. They approach their jobs as a mission to the community. The staff is mixed with their faith, but understand the strong beliefs held by the practitioners.

Oregon - 168569

Rural Health Clinic in beautiful southwest Oregon currently recruiting a Psychiatric Nurse Practitioner. Clinic strives to provide high quality, cost effective and compassionate medical care through a cohesive primary care-based organization. This town is a conservative area in Oregon and healthcare professionals would have the freedom to integrate their faith and pray with patients as they feel led.

Pennsylvania - 190754

This Federally Qualified Health Center health center is committed to providing access to affordable, high-quality bilingual health care and wellness services, as they pursue health together with their patients and their community. Center provides effective spiritual intervention with patients, sharing hope and salvation through Jesus Christ, sharing helpful Biblical instruction and scriptures, praying for patients.

Pennsylvania – 252030

Independent, outpatient only, practice seeking an advanced practitioner. Must be comfortable seeing peds. Their mission is to provide quality care to their patients in a nurturing environment. They value each person's uniqueness and respect their concerns. They strive to be salt and light in their community. They may be the only Bible some patients ever read. They strive to bring all glory to God and provide excellent medical care.

Pennsylvania –191259

Independent practice in beautiful south-central Pennsylvania seeking to add an advanced practitioner. Outpatient only opportunity with inpatient referred to local hospitalists. Provides comprehensive medical health care and counseling services for patients of any age. They provide a holistic approach to health care and counseling care.

South Carolina - 149601

A non-profit community health center seeking an advanced practitioner. They are a multi-site organization with services in family medicine, pediatrics, migrant health, and pharmacy. The offices are typical FP settings, with fairly standard operating hours. They offer the great combination of quality care, modern technology, satisfaction in the workplace, grateful patients, community outreach and freedom to express your faith. Most providers integrate their faith in their everyday practice by relationship, testimony, prayer and care to their patients. They do have one site that emphasizes spiritual health as part of their mission. Counseling is available in multiple offices.

**NURSE PRACTITIONER OPPORTUNITIES
DECEMBER 2022**

Texas – 254659

Serve the underserved with like-minded people in a faith-friendly environment. With 15 locations around the area that offer a wide range of services from medical, dental, and behavioral health. Provide the full scope of primary care services which fall under a clinician's field of training. They are seeking candidates whose professional goals are to achieve equitable health outcomes. Their patient population of 60,000 patients is 24% African American, 43% Latin American with 20% Spanish-speaking. Clinical responsibilities include provision of direct outpatient patient care 40 hours per week. No call. While they are not a faith-based FQHC, the majority of their staff operate out of a Christian faith based sense of calling to the work they do.

Texas – 331317

Independent practice seeking a Pediatric Nurse Practitioner interested in Functional Medicine. Practice offers Functional Medicine consultations for all ages and Functional Approach Primary Care (newborn to 65). Mission: To optimize the wellness and longevity of their patients and their families through root cause analysis and holistic care – physical, mental, and spiritual.

Virginia – 193641

Well established and growing, independent, Christian practice located in beautiful central Virginia seeking an Advanced Practitioner. They have a largely fee-for-service patient population with a small percentage of Medicare and Medicaid. Their desire is to serve Christ and be a Christian witness to their patients, to their community and to each other.

Virginia - 236020

Walk in clinic seeking an advanced practitioner. This would be 4 – 10 hour shifts and typically cover 2 weekends per month. The members of the group are mightily involved with services relating to their faith, teaching, cultural activities, and social ministries with some also involved in medical mission work. Many of their members frequently pray with their patients.

Washington - 196667

An independent, single specialty, inpatient group is seeking to add either a Nurse Practitioner or Physician Assistant provider. They are open 8:00 a.m. to 8:00 p.m. weekdays, and 9-1 on Saturdays and Noon – 4 p.m. on Sundays. Holidays are 9-1 except Christmas, which is Noon-4:00 p.m. These hours are popular with the elderly patients who depend on family members for transportation. Their mission is to help people with their health when they need help.

Washington - 198855

An independent, practice is seeking to add a Pediatric Nurse Practitioner. Practice was founded in 1992 with the goal of being the hands and feet of Jesus Christ in their community and to their patients.

Washington – 308422

An independent, outpatient only, women's health facility is seeking to add an advanced practitioner. There are a couple of positions available. One would be for a Co-Medical Director of this women's reproductive health clinic, which would include some direct patient care. The other would be practicing and no administrative responsibility.
