

VA Central Iowa is currently accepting applications for a Primary Care Nurse Practitioner Residency Program. This is a paid NP residency program for new/recent graduates from Family Nurse & Adult Gerontology Nurse Practitioner programs. The program offers newly licensed Nurse Practitioners the opportunity to master clinical skills and improve professional confidence.

We have 3 slots available for NP residents and applications are due by April 30th, 2023.

More information about this paid residency program is available at: [Primary Care Nurse Practitioner Residency \(PC-NPR\) Program | VA Central Iowa Health Care | Veterans Affairs](#)
