

**BRINGING TOGETHER
HEALTHCARE PROFESSIONALS
TO FURTHER GOD'S KINGDOM**

We exist to glorify God by placing healthcare professionals and assisting them in finding God's will for their careers. Our goal is to place healthcare professionals in an environment that will encourage ministry and also be pleasing to God.

We make connections across the U.S. for physicians, dentists, other providers and practices. We have an established network consisting of hundreds of opportunities in various specialties.

You will benefit from our experience and guidance. Every placement carries its own set of challenges. We want to get to know you on a personal basis to help find the perfect fit for you and your practice.

**NURSE PRACTITIONER OPPORTUNITIES
JANUARY 2022**

California – 282463

Faith-based FQHC clinic seeking a Nurse Practitioner. Actively supports the mission of clinic to show God's love by providing quality, comprehensive healthcare to the homeless and underserved. Provider will be part of an integrated, multidisciplinary team to offer high quality healthcare in the clinic as well as on the streets wherever a homeless person may live. Medical Spanish required, conversational Spanish a plus.

Colorado – 318481

An independent, inpatient/outpatient pediatric practice seeking to add a Nurse Practitioner. The staff consists of one Pediatrician and one Med/Peds Physician. Practice has been based on developing a one on one relationship between physician and patient/family and is therefore seen by the same provider for sick and well checks.

Connecticut – 336264

Excellent opportunity for a Nurse Practitioner to join CMDA member in a faith-based outpatient practice. Must be skilled in the full scope of Family Medicine including Pediatrics, Geriatrics, Women's Health and Minor Procedures. No OB. Being accountable to God, they will practice with excellence, keeping their skills and knowledge up to date in order to provide the best possible medical care.

Florida – 167005

Excellent opportunity for an Advanced Practitioner to join established practice of CMDA member. Ideal candidate will have excellent overall primary care skills including chronic care medicine; diabetes; hypertension; minor urgent care; basic cardiology, etc. Faith is discussed in the appropriate time and setting but always try to display Christ-like character. exam room along with other reading materials.

Georgia – 308004

A FQHC, faith-based clinic is seeking a Nurse Practitioner for their Medical Director position. This is a rapidly growing clinic located in a beautiful medical district of the downtown area. They are looking for an excellent candidate who is ready to help provide affordable, quality primary health care, under the organization's faithful mission to their partners. As the Medical Director, one would continue to assume all duties and responsibilities that apply to his/her licensed specialty job description.

Illinois – 107470

Join a growing team of providers as they seek to develop a robust Orthopedic team. APPs are responsible for providing medical care as delegated by the physicians. Responsibilities will include running independent clinics, assisting a physician in both the office and hospital setting. Desire to care for patients across socioeconomic spectrum. Eagerness to build relationships and help practice grow. Interest in driving high quality care while also lowering total cost.

Illinois – 131918

Wonderful opportunity to join faith-based FQHC with 3 clinics that serve as a one-stop shop access to the best medical, dental and behavioral health services in the area. You will be a member of the provider team performing a variety of direct patient services including assessment, diagnosis, and implementation of treatment, evaluation and monitoring the general clinic/patient management plan for the medical clinic. Their mission is to provide excellent healthcare to the community that communicates in word and deed the love and Gospel of Jesus Christ.

**NURSE PRACTITIONER OPPORTUNITIES
JANUARY 2022**

Iowa – 334936

Pro-life Pregnancy Help Medical Clinic seeking a Nurse Practitioner or Certified Nurse Midwife. You would have the flexibility to determine the call and clinic schedule amongst their clinics. You would also be able to coordinate call with a local single physician with OB/Gyn privileges at local hospital. Seeking candidates that are compassionate, have the ability to engender trust, ability to teach, self-motivated, experience on non-profit board would be preferred, but not required. Pro-life, mission driven, ability to multi-task, strong understanding of patient billing/medical practice finance and insurance practices. Desire to save lives and improve patient outcomes.

Louisiana - 132423

This pediatric group was started in August 1994. Seeking a Pediatric Nurse Practitioner. They promote empathy with excellence with every patient, employee, vendor and relationship they have, to ensure the heart of healthcare is not lost – human empathy – and to express that empathy with the utmost professional and medical excellence.

Massachusetts – 334125

Independent practice seeking an Advanced Practitioner. Outpatient only opportunity where provider would average 10 patients per day and have adequate time to spend with patients. Current staff of 1 physician and two nurse practitioners. Established practice that has been a community staple for over 43 years. They are a modern practice with “old fashioned” patient focused care. They are Primary Care for the Whole Person (mind, body and spirit). Their M.D., NP's, Nurses and office staff are professing Christians.

Michigan – 304793

A pediatric healthcare ministry looking to add a Pediatric Nurse Practitioner join them in their mission to show and share the love and mercy of Jesus Christ by providing compassionate, affordable and excellent healthcare to their community. This is a nonprofit healthcare facility for children and teens serving a diverse set of families including the underserved and recent immigrants. This is a faith-based interdenominational charitable nonprofit corporation that provides healthcare services to the infants, children, adolescents, and young adults.

Nebraska -104349

An independent hospital and single specialty clinic in southeastern Nebraska seeking an advanced practitioner. Providers average treating 15-18 patients per day with no primary call on weekdays or weekends. Great clinical skills, unquestioned ethics, great interpersonal skills, ability to work on a team and take input from both hospital and clinic staff. Advanced practitioners rotate to provide primary coverage of the hospital ER and medical floor and the physicians provide back-up coverage.

New Hampshire – 153110

An independent, inpatient/outpatient, well established care center is seeking to add a Nurse Practitioner. The staff is composed of believing, practicing Christians from a variety of expressions. They are encouraged to pray for and share their faith. The center treats on a daily average 10-16 patients per day. They are located just over a hour to Boston. They try to do everything to promote whole person health. They work to ensure communication between providers and provide integrative care.

**NURSE PRACTITIONER OPPORTUNITIES
JANUARY 2022**

New York – 105041

Independent, inner-city clinic with three offices, seeking a Nurse Practitioner. Seeking provider with a heart for working with refugees, the poor and the underserved, with the ability to practice full-spectrum family medicine including inpatient/outpatient care and low-risk obstetrics. Practice is also a member of Christian Community Health Fellowship and short-term missions is encouraged.

North Carolina - 336808

An independent, Direct Primary Care practice seeking an experienced Advanced Practitioner. This would begin as a part-time position, which if the practitioner desires, could move to full-time Fall 2022. Currently one internal medicine physician. This is outpatient only. This Practice has 2 core characteristics: First, a Direct Primary Care model, which restores primacy to patient care and addresses the fierce productivity pressures of an insurance-based practice. Second, this is a Christian practice and care is delivered in accord with Catholic healthcare ethics.

North Carolina – 310387

An independent, single specialty, outpatient pediatric practice is seeking a advanced practitioners who has pediatric experience. Their primary goal will always be to provide the best, most compassionate medical care possible to each child they have the privilege to serve. They do this because they believe that each child is precious to God. The goal is to continue to grow a mission focused practice where each of the providers has an opportunity to serve at a mission hospital routinely (multiple months every couple years). They also hope to be a place where pediatricians who serve overseas long-term will be able to work, if needed, during their home assignment time.

North Carolina – 174805

Independent group located in north central North Carolina seeking an Advanced Practitioner. Practice is primarily outpatient only with inpatient referred to local hospitalists. Practice has extended hours on Monday through Thursday and open half day on Saturday. This practice exists to provide care of the entire family in a Christ-centered environment. As a group, they consider their community as their primary mission outreach. However, they participate in, and would encourage their new practitioner to participate in-group term mission

Oregon – 144541

Wonderful opportunity for Nurse Practitioner to join independent single-specialty group in beautiful southwestern Oregon. Staff of 5 physicians and 3 advanced practitioners. The providers strive to integrate their Christian faith with their practice of medicine. They believe this means helping others take one step closer to knowing and experiencing God. They do this in their individual interaction with patients as well as in their leadership involvement in their community.

Pennsylvania – 216590

Independent single specialty practice west of Philadelphia seeking a nurse practitioner. Well established practice consisting of 4 physicians and 2 physician assistants. The practice has 2 offices with the main office in suburban town approximately 1 hour outside of Philadelphia and a branch office in the country close to Lancaster County. They seek to serve our Lord in every aspect of their practice. They seek to support the physical and spiritual health of their patients via a comprehensive practice scope. Prayer is encouraged with patients. Practitioners are also involved in on-going short-term missions.

NURSE PRACTITIONER OPPORTUNITIES JANUARY 2022

Texas – 254659

Wonderful opportunity to serve the underserved with like-minded people. Provide the full scope of primary care services which fall under a physician's field of training. Diagnose, treat, and provide coordination of care, preventive care and health maintenance to patients of all ages. Clinical responsibilities include provision of direct patient care in outpatient continuity clinic for 40 hours per week. Bilingual (Spanish & English) preferred, though not required. While they are not a faith-based FQHC, the majority of their staff operate out of a Christian faith based sense of calling to the work they do.

Texas – 336095

Excellent opportunity for Advanced Practitioner to join a non-profit Christian medical clinic in the panhandle of Texas. The clinic opened their doors in January 2019 and part of the compassionate ministry center of the Church of the Nazarene. Residents of the community have many barriers to accessing health care—from transportation to language and culture to lack of health insurance.

Texas – 331317

Independent practice of CMDA member seeking a Pediatric Nurse Practitioner interested in Functional Medicine. Practice offers Functional Medicine consultations for all ages and Functional Approach Primary Care (newborn to 65). Provider team includes two physicians, three advanced nurse practitioners, one nutritionist, and two health coaches. Mission: To optimize the wellness and longevity of their patients and their families through root cause analysis and holistic care – physical, mental, and spiritual.

Virginia – 193641

Well established and growing, independent, Christian practice located in beautiful central Virginia seeking an Advanced Practitioner. Located close to the Blue Ridge Mountains and East Coast beaches, in a small, beautiful university town. This is a great place to raise a family. They have a largely fee-for-service patient population with a small percentage of Medicare and Medicaid. Their desire is to serve Christ and be a Christian witness to their patients, to their community and to each other. Also supportive of short-term missions.

Washington - 198855

An independent, practice is seeking to add a Pediatric Nurse Practitioner. Currently there are 10 physicians and 5 advanced practitioners on staff. The practice serves approximately 15,000 patients and has fully integrated behavioral health including a psychiatrist, a psychologist and 2 licensed mental health providers. They also have a full-time nutritionist, as well as specialists who rotate monthly through their office. They are part of the medical school and train their students in their 3rd year pediatric rotations. They are also a training site for several family practice residencies and work in their local juvenile detention centers. Practice was founded in 1992 with the goal of being the hands and feet of Jesus Christ in their community and to their patients. That has remained their foundation, Christ as the cornerstone and His love that compels them and informs them and transforms the way they see others. As a group, they have continued to center their care, practice decision making and practice life with this as a plumb line.
