

Registered Nurse (RN)

INDEPENDENCE MENTAL HEALTH INSTITUTE (IMHI)

Independence Mental Health Institute (IMHI) is seeking full-time, compassionate and motivated Registered Nurses (RNs). With the Department of Health and Human Services, you will receive competitive wages and generous State of Iowa benefits with room for professional growth.

IMHI provides inpatient treatment and acute psychiatric services. We serve patients with mental illnesses and provide therapeutic care through a multidisciplinary team of physicians, psychologists, social workers, nursing staff, activities staff, pharmacists and dietitians.

As an IMHI RN, you will collaborate with the multidisciplinary team to plan and coordinate patient care. RNs at IMHI routinely deliver patient care through the direction of other nursing care team members. The ideal candidate will need to follow the nursing process of assessments, treatment planning, implementation of interventions, evaluation and outcome measurement.

In addition to your base pay and an available shift differential, this position is eligible for a \$5,000 recruitment payment. This position is also eligible for a retention payment of \$5,000 for every 6 months of commitment. Speak to the Hiring Manager for more information on eligibility.

Independence Highlights

IMHI is in Independence, Iowa, a city of approximately 6,000, located in scenic Northeast Iowa. The Wapsipinicon River flows through town offering many recreational opportunities such as canoeing and fishing. Independence is a progressive community sporting a newer public library, trails and home of Cedar Rock state park which includes a Frank Lloyd Wright home.
