

Summer Camp Nurses Needed!

We are looking for Summer Camp nurses to cover our Health Center and join in the camp fun for the 2023 Season. We hire nurses for either 4 weeks or 8 weeks. For this summer, the dates we have left are:

- First Session June 16-July 23

We hire both RN's and LPN's and families are accommodated. We pay top salaries in camping and compensation is dependent upon license, length of stay and if Health Center Staff children are enrolled in the program.
