

Pediatric Registered Nurse (RN)

full-time, part-time, & PRN home health assignments in Polk, Dallas, & Warren Counties

Experience a work culture where nurses are valued, management backs you and you're empowered to be a patient's advocate. At Interim HealthCare®, these are just a few of the rewards you'll enjoy as a Pediatric RN.

Our Pediatric Registered Nurses enjoy some notable benefits:

- \$30 to \$36 per hour
- 1:1 nurse-to-patient ratios where you impact outcomes
- Flexible assignments, autonomy and work-life balance
- Online training, growth and ability to earn CEUs
- Tuition discounts through Rasmussen University
- PTO (120 hours per year, plus 80 hours of sick pay) and Holiday Pay
- Health, Dental, Vision, and 401(k)

As a Pediatric Registered Nurse, here's a big-picture view of what you'll do:

- Provide home-based care to pediatric patients with illnesses, injuries and chronic diseases—often after discharge from a hospital, rehab or nursing facility
- Work with a team of physicians and oversee LPNs, CNAs and aides providing patient care
- Examine patients, do assessments, document progress and report changes to their physician
- Educate patients on their plan of care, prescribed medication, therapy, diet and exercise
- Coach family members on the patient's plan of care, medication and home safety
- Ensure goals are met and coordinate discharge from services

A few must-haves for Pediatric Registered Nurses:

- Graduate of an accredited nursing program and active RN license in Iowa
- New Grads Welcome
- CPR certification
- Knowledge of state and federal home health regulations
- Clinical proficiency in nursing specialty, strong communication skills and compassion
