

Allen College seeks to hire adjunct faculty for the Diagnostic Medical Sonography Program

Posting ID # 68811

Allen College seeks to hire an adjunct faculty to teach in the diagnostic medical sonography program. In the laboratory setting, the adjunct faculty provides education and supervision for the students consistent with established standards of care, as well as, course and program objectives in collaboration with the course faculty. The adjunct laboratory faculty is supervised by the lead course faculty.

In compliance with the Clery Act, Allen College publishes an Annual Security report containing three previous years of crime statistics, institutional policies concerning campus safety, and a fire safety report. The report is available at

<https://www.allencollege.edu/filesimages/Current%20Students/Allen%20College%20-%202019%20Annual%20Security%20Report.pdf>. A paper copy is available upon request.

Qualifications

1. Candidates must hold a minimum of a bachelor's degree in program discipline or related field from a regionally accredited institution of higher education; master's degree preferred.
2. Candidates must hold American Registry of Diagnostic Medical Sonography (ARDMS) in abdomen, OB-GYN.
3. Candidates must have three years of documented clinical experience.

Allen College is an Equal Opportunity Employer.
