

Allen College seeks to hire adjunct faculty for the Diagnostic Medical Sonography Program

Posting ID # 139896

Allen College seeks to hire adjunct faculty to teach the lab component of DMS308 Vascular II in the diagnostic medical sonography program beginning spring 2024. In the laboratory setting, the adjunct faculty provides education and supervision for the student consistent with established standards of care, as well as course and program objectives in collaboration with the course faculty. The adjunct laboratory faculty is supervised by the lead course faculty.

In compliance with the Clery Act, Allen College publishes an Annual Security report containing three previous years of crime statistics, institutional policies concerning campus safety, and a fire safety report. The report is available at [ASR Report - Final 9-27-23.pdf \(allencollege.edu\)](#). A paper copy is available upon request.

Qualifications

1. Minimum of a bachelor's degree in program discipline or related field from an accredited institution of higher education; master's degree preferred.
2. Hold RVT credentials through the American Registry of Diagnostic Medical Sonography (ARDMS)
3. Two years of documented clinical experience.

Allen College is an Equal Opportunity Employer.

Allen College was recognized in The Chronicle of Higher Education as a Great College to Work For in 2023. Allen College was given Honor Roll status and received recognition in several categories including job satisfaction and support; compensation and benefits; mission and pride; supervisor/department chair effectiveness; confidence in senior leadership; faculty and staff well-being; shared governance; and faculty experience.
