

Allen College seeks to hire faculty for the Bachelor of Health Sciences in Diagnostic Medical Sonography Program

Posting ID # 104600

Allen College is seeking candidates for a full-time clinical coordinator faculty position beginning August 2022. The faculty member shall hold an academic faculty appointment at the rank of Instructor or Assistant Professor at Allen College consistent with his/her education, experience and qualifications of the rank. Teaching responsibilities include, but not limited to, classroom and/or clinical teaching instruction and supervision. The clinical coordinator is responsible for coordinating clinical education with didactic education as assigned by the Program Director. The position plans, coordinates, facilitates, administers, and monitors activities on behalf of the academic program and in coordination with academic and clinical faculty.

Faculty are members of the Allen College Faculty Organization Committee at large and are appointed to other faculty committees. Faculty are involved in the development and evaluation of the program and of the students. Faculty are actively involved in teaching, guidance and academic advising of students and report to the School's Dean.

In compliance with the Clery Act, Allen College publishes an Annual Security report containing three previous years of crime statistics, institutional policies concerning campus safety, and a fire safety report. The report is available at <https://www.allencollege.edu/filesimages/Current%20Students/Safety/ASR%20Report%209-29-21%20-%20Final.pdf>. A paper copy is available upon request.

Education and Experience Qualifications

1. A bachelor's degree from a regionally accredited institution of higher education in program discipline or related field with major study in area of teaching responsibility. A master's degree in program discipline or related field with a major study in area of teaching responsibility from a regionally accredited institution of higher education and experience in teaching preferred.
2. A minimum of two years of teaching experience in program discipline or 2 years clinical experience in area of teaching. Preference may be given to an applicant who has a minimum of one year of experience as an instructor in a JRC-DMS accredited program and 2 years clinical experience in professional discipline.
3. Current clinical skills and demonstrated competency in practice.
4. Evidence of ability in teaching as indicated by others in the education field.
5. Demonstrated ability to do scholarly work appropriate to the individual's field.
6. Evidence of involvement in professional activity and community service.
7. Current licensure or permit to practice, as required by regulatory and/or accrediting agencies.
8. Required Certifications: RDMS (AB and OB/GYN) and RVT.

Allen College is an Equal Opportunity Employer.
