

Allen College seeks to hire two Student Tutors

Posting ID # 100566 & 100567

Allen College seeks to hire a student tutor for the 2022 spring term. The Tutor reports to the Student Success Coordinator and provides small group tutoring to students in subject area assigned and assists students in improving academic achievement by meeting with them on a regular basis to discuss course content, answer questions and explain general concepts. The tutor aids students in their overall comprehension of the course material – without giving away the “answers.” Tutoring is a supplement to teaching. Tutors are not expected to know everything about the subject for which they tutor, nor are they expected to perform test reviews or reteach course content.

In compliance with the Clery Act, Allen College publishes an Annual Security report containing three previous years of crime statistics, institutional policies concerning campus safety, and a fire safety report. The report is available at <https://www.allencollege.edu/filesimages/Current%20Students/Safety/ASR%20Report%209-29-21%20-%20Final.pdf>. A paper copy is available upon request.

Qualifications

1. Need to have completed the course you are interested in tutoring at Allen College and received a grade of “B+” or above in that course. Preference will be given to current Allen College students.
2. Be responsible, dependable and mature.
3. Able to communicate effectively.
4. Friendly, patient and sensitive to a diversity of students.

Allen College is an Equal Opportunity Employer.
