

# BARRETT LIBRARY

## Journal Holdings

(Barrett Forum, Allen College) Open to Allen College students and Allen Associates, journals are for use within the library only, during regularly scheduled hours. **The general public may use resources within the library, but may not borrow items from the library or through Inter-Library Loan.**

### **Journal Holdings List for Barrett Library**

Please note that the serial holding list for the Barrett library serves to indicate the time period for which particular journals are held. It **does not mean that all issues** are present for the stated time parameter. Follow normal [Inter-Library Loan procedures](#) to secure journal articles for issues missing from the collection. The plus sign at the end of the issue information indicates current year available. **These holdings are subject to change.**
