

Additional Application Questions

Graduate Nursing

Applicant Name: _____

Allen College strives for a fair, consistent, and transparent admission process. The process balances academic achievement, extra-curricular involvement, leadership, community service, diversity, as well as, other applicable life experiences.

Acknowledging applicants are unique individuals, unable to wholly capture their lives in an admission application, additional information is requested to personalize the process. Your thoughtful response to the following statement will assist in our holistic review of your application. Your ability to write in a clear, concise, organized, and grammatically correct manner will also be evaluated. Email the completed form to admissions@allencollege.edu.

Describe what influenced your decision to pursue/continue a graduate nursing degree and include short- and long-term goals with future practice plans. (Maximum 300-word count)
