Explore Opportunities in Health Care

**June 22-26, 2026**

9 a.m. – 3 p.m.

- Camp open to high school students graduating in May 2026 or who will be in 9–12 grade during 2026-2027 school year
- Build relationships with camp participants and Allen College faculty, staff and students
- Learn about college nursing and health sciences programs' pre-requisites, application procedures, tuition costs and how to pay for college (financial aid)
- Explore a variety of health careers through discussions with health care professionals, job shadowing and field trips
- Incentives provided to students who attend entire camp
- Snacks and lunch provided
- Camp is limited to first 20 applicants, preference given to first-time participants

Registration deadline: May 31, 2026
