

Our family is looking for someone to care for my elderly father.

He lives in Clarksville and would need someone several hours a week during the daytime.

This is a “as needed” position and some weeks help may not be needed. We would schedule a week in advance.

Tasks would include possibly getting lunch out for him and help with any cares he may need. Pay is negotiable.

Please contact Dina Dowden at (319) 415-9722 or dinadowden@yahoo.com.
