

Job Posting:
Occupational Therapist for Inpatient Rehab in Amarillo, TX
with mentorship for new grads!

Are you a new grad or seasoned Occupational Therapist in search of a nurturing environment to call home? We are confident you'll feel the difference the moment you join our team and become part of a growing inpatient rehabilitation leader.

Our inpatient rehabilitation hospital provides essential rehabilitation services that help patients recovering from strokes, brain injuries, spinal cord injuries, amputations and complex orthopedic conditions regain functional ability, independence and quality of life. Patients receive a minimum of three hours of intensive physical, occupational and/or speech therapy five days each week, as well as frequent physician visits and 24-hour nursing care. An interdisciplinary team of highly specialized nurses, therapists and physicians create customized treatment plans to meet each patient's unique recovery goals.

As part of our hospital team, you will experience a therapy-focused environment which includes:

1. Cutting edge rehabilitation technology including robotics, biofeedback and functional electric stimulation systems.
2. Spacious and functional work areas designed for patients and clinicians.
3. Strong leadership and training through mentorships, promotional opportunities, and continuing education.
4. The most comprehensive and extensive patient education tools in the industry.
5. Use of evidence and outcomes to continually assess and improve our programs.

We were named one of the "World's Most Admired Companies" and honored with the Fortune100 Best Companies to Work For® Award.

We offer:

- Generous benefits package designed to support your wellbeing.
- Relocation assistance up to \$3000.
- Competitive salary based on experience.
