

I'm reaching out to share that we currently have an open Medical Technologist (MLS/MT) position in our laboratory and would love to connect with your program as a potential resource for upcoming graduates or alumni who may be seeking an opportunity in a hospital setting.

Shenandoah Medical Center offers:

- A supportive, close-knit lab team
- Broad hands-on experience across lab disciplines
- Competitive pay and benefits
- A strong community-focused healthcare environment

Position details and application:

If appropriate, we would appreciate it if you could share this opportunity with your students or recent graduates, or let us know the best way to post with your program.

I'm happy to provide a full job description or answer any questions you may have. Thank you for your time, and we appreciate the work you do to support the next generation of Medical Laboratory Scientists. 😊

Warm regards,
