LOCATED NEAR WARTBURG COLLEGE

Loving family seeking a caring and reliable nanny to help care for our three children—ages 3, 2, and 3 months in our home. Our 2-year-old was recently diagnosed with Type 1 Diabetes; however, the father of the children works from home. Meals will be prepared, and you only need to serve the meals or snacks at the appropriate time. Your role will be focused on general childcare, playtime, and keeping the children safe and engaged.
