To whom it may concern

My name is Lesley Culver and I am the Office Manager for Ottumwa Regional Health Center Outpatient Rehab. We are currently looking for both DPT and PTA's for both Outpatient and Inpatient Rehab. If you could please share the enclosed flyer with your students who will be graduating within the next year, I would appreciate it. We offer benefits, PTO, insurance, money for continuing education, and a really nice sign on bonus. They can either contact Jessica Johnson Koontz (program director) at 641-684-2300 ext. 2613, or her cell 319-850-0031, or me with the contact information below. Thank you for your time.

Thank You

Lesley Culver
