

OUR PURPOSE

MISSION

- Transforming lives & restoring hope through movement

VISION

- Creating a community of healthy, happy, and hope-filled people

VALUES

- All people are created in the image of God and are worthy of being treated with the utmost integrity and respect.
- People are not completely healthy unless they care for their body, mind, and spirit.
- True wellness requires a person to maintain balance in work, play, and rest.
- A healthy business is one that consistently demonstrates trust, value, and generosity.

WHY KINETIC EDGE?

Hear what our recent
grads love about
working for KE!

"I chose to come to Kinetic Edge for the atmosphere immediately walking in the door. As a new grad, it is intimidating beginning your career but not once have I felt stuck and unable to ask a question." -Rachel B.

"When I was looking for a place to work, I wanted a good workplace culture/environment. I am thankful I chose Kinetic Edge for that reason." - Emma B.

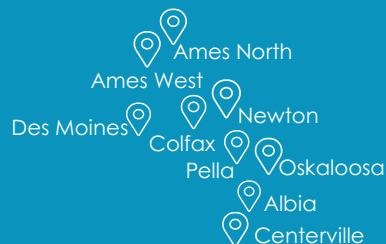

"My favorite part of working for Kinetic Edge is being surrounded by a team of therapists who have a passion for our mission of transforming lives & restoring hope in our clients. My team makes me excited to be the best OT I can be!" -Rachel R.
