

NP & PA Opportunities in IOWA

Your Best Life. Our One Purpose.

MercyOne Iowa and Genesis Health are currently looking for Nurse Practitioner and Physician Assistants for both inpatient and outpatient openings. MercyOne is a Provider led and professionally managed organization offering a work life friendly environment with flexible scheduling.

MercyOne

As the largest system of health services in the region, **MercyOne**, in partnership with **Genesis Health**, is redesigning where and how we provide care. The **MercyOne** Medical Group leads the way to improving health care for nearly 42 million patients per year across the state of Iowa and beyond. Our transformation into a physician-led, professionally managed governance model of leadership begins with our integration into a system of clinics offering consistent and convenient care that also offers hospital care if you need it. This new model of care allows us to optimize our care delivery across the state of Iowa.

About IOWA

Living in Iowa offers a serene and fulfilling Midwest experience characterized by strong community bonds, abundant opportunities, and a high quality of life. Whether residing in vibrant urban centers or picturesque rural towns, residents benefit from a welcoming and close-knit community spirit that fosters a sense of belonging. With its affordable housing, excellent schools, and safe neighborhoods, Iowa provides an ideal environment for families to thrive. The state's diverse economic landscape, encompassing agriculture, manufacturing, healthcare, and innovation sectors, ensures ample employment opportunities and economic stability. Additionally, Iowa's rich cultural scene, encompassing art, music, and culinary delights, offers endless opportunities for exploration and enjoyment. Overall, living in Iowa promises a fulfilling and enriching lifestyle rooted in tradition, community, and opportunity. To learn more, check out www.traveliowa.com
