<b>Total Credit Hours</b>	<b>100</b>

Contact [Admissions@allencollege.edu](mailto:Admissions@allencollege.edu) or (319) 226-2014 with questions.

Note: All students have 24 months from the last day of classroom education in which to successfully complete their fieldwork and capstone to receive their degree and graduate from the program.

No transfer credits will be accepted for the Doctor of Occupational Therapy program.

*Accreditation and Status: The entry-level occupational therapy doctoral degree program has applied for accreditation and has been granted Candidacy Status by the Accreditation Council for Occupational Therapy Education (ACOTE) of the American Occupational Therapy Association (AOTA), located at 7501 Wisconsin Avenue, Suite 510E, Bethesda, MD 20814. ACOTE's telephone number c/o AOTA is (301) 652-AOTA and its web address is [www.acoteonline.org](http://www.acoteonline.org). The program must have a preaccreditation review, complete an on-site evaluation, and be granted Accreditation Status before its graduates will be eligible to sit for the national certification examination for the occupational therapist administered by the National Board for Certification in Occupational Therapy (NBCOT). After successful completion of this exam, the individual will be an Occupational Therapist, Registered (OTR). In addition, all states require licensure to practice; however, state licenses are usually based on the results of the NBCOT Certification Examination. A felony conviction may affect a graduate's ability to sit for the NBCOT certification examination or attain state licensure. Students must complete 24 weeks of Level II fieldwork and an individual 14-week capstone experience within 24 months following the completion of the didactic portion of the program. The doctoral capstone experience must be started after completion of all coursework, Level II fieldwork and preparatory activities defined in 2023 ACOTE OTD Standard D.1.3.*
