

WHY HOST AN ALLEN COLLEGE CAPSTONE STUDENT?

Enhance Your Department

- **Fresh Perspectives:** Gain innovative ideas and approaches to address department-specific challenges.
- **Customized Projects:** Capstone students design projects aligned with your department's goals and needs.

Boost Productivity

- **Dedicated Effort:** Students contribute 14 weeks of full-time focus on meaningful, impactful projects.
- **Tangible Outcomes:** Deliverables like program development, quality improvement, or staff training benefit your team.

Foster Collaboration

- **Mentorship Opportunity:** Engage in shaping the next generation of occupational therapy professionals.
- **Strengthen Networks:** Build partnerships with Allen College and UnityPoint Health affiliates.

No Additional Costs

- Students work under mentorship, with faculty oversight, and do not require added department resources.
