

## **Occupational Therapy Assistants!**

Here is your pathway to become a Doctor of Occupational Therapy

Just looking? Make sure to check out...

- The program's <u>National Board of Certification in Occupational Therapy</u> (NBCOT) passing rates! (They are 100%!)
- How our small class sizes offer personalized attention.
- Your financial investment, including the <u>cost</u>, <u>scholarships</u>, and other types of <u>grants and loans</u>. Connect with a <u>financial aid counselor</u> with questions.
- The <u>pre-requisite courses</u> you should have done by the end of the spring term before your fall start date.
- <u>Admission requirements</u>. Connect with an <u>admissions counselor</u> with any questions.
- See your three-year journey!
- Request a <u>Transcript Credit Evaluation</u> by completing the form and choose "Doctor of Occupational Therapy (OTD)"
  - Submit your transcripts (unofficial are fine for this step) directly through the request form.
  - Your evaluation will be sent to you by an admissions counselor in 7-10 business days.

Ready to apply?

- Apply through <u>OTCAS</u> by the <u>published deadline</u> and choose Allen College as your school.
  - Keep your file up to date and check your OTCAS account frequently. Once your file is complete, Allen College will receive your documents.
