SUBJECT: Maintaining a Smoke-free Campus

PURPOSE: This policy is to promote wellness and prevent illness by removing smoking from the Allen College campus and to make clear that good health does not include the use of tobacco products.

POLICY: Smoking is not permitted in any buildings, parking lots, or any other areas of Allen Hospital or the Allen College Campus.

PROCEDURES:

All UnityPoint properties are tobacco-free. Please refer to UnityPoint Health Tobacco-Free Environment policy for information regarding disciplinary action related to using tobacco products on campus.

Students completing clinical hours at any other site must follow the policy of that institution.
