SUBJECT: Drug Screening

PURPOSE: To establish guidelines for drug screen tests of students

EFFECTIVE
FOR: All students

POLICY: Each admitted student will pass a 10-panel drug screen test.

PROCEDURE:

1. As part of the clinical process, students will purchase a 10-panel drug screen.
2. Positive drug screens are sent to the Dean of Enrollment Management. The Dean of Enrollment Management, in collaboration with the school in which the student is admitted or enrolled, will determine if the student is able to matriculate or remain admitted to Allen College.
3. The student may be admitted in the future once they pass the drug screening requirement.
