

# ADMISSION REQUIREMENTS

## RN-DNP

The RN-DNP program begins in the fall or spring semester. Required application materials can be submitted as they are completed, but all materials must be received before admission consideration. Review of completed applicant files requires 3 to 4 weeks.

Complete applications are reviewed on a rolling basis

The following criterion must be met:

- A 3.0 undergraduate grade point average (on a 4.0 scale)
- Current license as a registered nurse (RN)

RN-DNP applicants will receive 71 credit hours of articulation credit for completion of RN education and RN licensure. 26 additional credits must be completed including a statistics course (3 credit hours) and a diversity course (3 credit hours) prior to matriculation.

Applicants whose first language is not English must prove [English proficiency](#) prior to admission consideration.

*Meeting admission criteria does not guarantee admission into the program. Allen College uses a holistic admission review. The process balances academic achievement, work experience, extra-curricular involvement, leadership, community service, diversity, as well as, other applicable life experiences. Top applicants are accepted each term.*

According to Subrule 2.8(5) nursing courses with a clinical component may not be taken by a person a) who has been denied licensure by the board; b) whose license is currently suspended, surrendered, or revoked in any United States jurisdiction; or c) whose license/registration is currently suspended, surrendered, or revoked in another country due to disciplinary action. Students must notify the Office of Enrollment Management if they are in violation of this code.

*Information subject to change without prior notification.*
