

Allen College

Spring 2026 Schedule of Classes

October 2025

DATES TO REMEMBER

Spring classes begin and end at various times between January 12 and May 8. The specific start and end date for each course is included throughout the schedule of classes.

Spring Commencement: May 8, 2026

REGISTRATION PROCEDURES

- **Undergraduate Health Science Students** are registered based on published curriculum. Clinical and lab groups are assigned. Schedules will be available on My Pulse by October 31.
- **Graduate Health Science** are registered based on their plan of study on file. Students wishing to make changes, please contact your advisor. Schedules will be available on My Pulse by October 31.
- **Pre-Licensure BSN Students** are registered based on published curriculum. Clinical and lab groups are assigned. Schedules will be available on My Pulse by October 31, although the majority of clinical and lab times will be assigned at a later date.
- **Graduate Nursing Students** are registered based on their plan of study on file in the MARC (Masters Academic Registration Center). You may email MARC@allencollege.edu if you wish to make changes to your plan of study. Schedules will be available on My Pulse by October 31.

ADD/DROP INFORMATION

- **Adding a course:** Courses may be added no later than the first week of class with instructor's permission.
- **Dropping a course:** Courses dropped after the first meeting will appear on your transcript with a "W" or "F." Please consult the Academic Calendar regarding deadlines for dropping courses.
- **Adding or dropping** courses may alter your financial aid. Please consult with the financial aid coordinator prior to adding or dropping a course.
- **Dropping all courses** requires communication with the registrar's office.

REFUND POLICY

Please consult the Academic Calendar for refund information.

HOLDS

All holds must be cleared prior to registration. Students who are on hold are not eligible to register for courses. Check your Allen College email or My Pulse account for hold information.

GENERAL EDUCATION COURSES

Students who need to enroll for general education courses may do so at the accredited institution of their choice.

Consortium agreements are available for students who take courses at an institution other than Allen College and need to count the credit toward degree completion. Students must request a transcript be sent directly to Allen College at the conclusion of the semester.

COURSE TYPES

F2F (Face to Face) – Students and instructor(s) meet in person as a group for regularly scheduled class sessions either on campus or at another physical location.

Hybrid – A combination of F2F teaching and distance learning methods. F2F time requirements may vary among courses. They also may be referred to as blended courses.

Internet – All instruction is provided via the Internet and no F2F instruction is required. Students may be required to attend an orientation, synchronous sessions, or take proctored exams on campus or at an approved location near the student.
