Pam and Mike have a family history in healthcare and education. Pam's father was a physician and Mike's mother was an educator. Their daughter is a nurse practitioner.

Pam and Mike have two children and four grandchildren. They love spending time with their grandchildren. In their spare time you can find Pam gardening, traveling or reaching out to others and serving on boards. Mike can be found doing wood working or volunteering.

Pam and Mike have a great belief in education and the need for excellence in healthcare – nursing. Based on this belief they wanted to pay it forward and give to others by creating a scholarship to help make receiving an education financially possible. Their hope is to educate nurses to be critical thinkers as demonstrated by excellence in nursing.
