The Enzo Gebara Annual Scholarship was generously established by Enzo Gebara, Class of 2024, to support Bachelor of Science in Nursing (BSN) students at Allen College. This scholarship reflects Enzo's heartfelt commitment to "paying it forward" in gratitude for the donor-supported scholarships he received during time as a student at Allen College.

Enzo's family heritage is richly diverse. His father, Antonio, immigrated from Mexico, and his mother, Leny, from Peru—both arriving in the United States in their twenties. Today, they reside in Eagle Grove, Iowa, where they continue to support Enzo's journey and values.

A proud 2024 graduate of Allen College, Enzo earned his Bachelor of Science in Nursing degree, graduating Summa Cum Laude. He currently works at the prestigious Mayo Clinic.

Outside of his professional life, Enzo enjoys running—having completed the 2025 Med City Marathon—along with cardiovascular and neuroscience research, cooking, lifting and spending quality time with his girlfriend, friends and family.

Enzo was inspired to establish this scholarship by the generous support he received as a student at Allen College, which allowed him to fully engage in his academic journey. With fewer financial burdens, he was able to focus on his studies and participate in enriching extracurricular activities, including serving as a student ambassador and mentoring new students.

Through this scholarship, Enzo hopes to ease the financial stress faced by students, allowing them to concentrate on forging connections and fully embracing the various opportunities available at Allen College. His gift is a reflection of his belief in the transformative power of education and the importance of giving back.
