

APPLICATION MATERIALS

Associate of Science in Radiography (ASR)

The ASR program begins once each year in a summer term (late July-early August). All required application materials must be received prior to admission consideration. Completed applicant files are reviewed on a rolling basis. The process requires three to four weeks.

The following application materials must be submitted:

1. [Application](#)
2. Non-refundable \$50 application fee
3. Current high School applicants or applicants with less than 25 college credits must submit an official high school transcript
4. Official transcripts from all colleges attended
5. Official AP score report using code 3610, if applicable

Applicants whose first language is not English must prove [English proficiency](#) prior to admission review.

Meeting admission criteria does not guarantee admission into the program
