Accreditation and Status:

Graduation from a physical therapist education program accredited by the Commission on Accreditation in Physical Therapy Education (CAPTE), 1111 North Fairfax Street, Alexandria, VA 22314; phone: (703) 706-3245; accreditation@apta.org is necessary for eligibility to sit for the licensure examination, which is required in all states.

Allen College is seeking accreditation of a new physical therapist education program from CAPTE. The program will apply for candidacy June 1, 2020. Submission does not assure the program will be granted Candidate for Accreditation status. Achievement of Candidate for Accreditation status is required prior to implementation of the professional phase of the program; therefore, no students may be enrolled in professional courses until Candidate for Accreditation status has been achieved. Further, though achievement of Candidate for Accreditation status signifies satisfactory progress toward accreditation, it does not assure the program will be granted accreditation.
