

Allen College Medical Laboratory Science Program

Technology Requirements

All students are required to have a laptop with:

- Web camera, microphone, and speakers
 - Headphones for listening to lectures – optional
 - Note: headphones are not allowed during proctored exams
- Compatibility with Exemplify (exam proctoring software): requirements can be found at: <https://examsoft.force.com/emcommunity/s/article/Exemplify-Minimum-System-Requirements>
- Latest version of Microsoft Office365 (Provided free of charge by the college)
- External batteries or laptop with internal battery that can last a full day of classes.
 - The Allen College library has a limited amount of external batteries available for daily checkout.
 - A limited number of outlets are available during on-site lab sessions

Laptop can be either a Windows or an Apple based laptop, but cannot be a Chromebook, or an iPad.

Special note for Mac users regarding compatibility with Virtual Microscope software:

- Mac OS X 10 or above with Parallels Desktop installed **OR** access to a PC-based computer if you experience problems
 - A web-based workaround is in place that offers functionality comparable to PCs for those who do not have a Parallels Desktop
